Yerim Cho

#D501, Engineering Bldg. 4, Yonsei University
50 Yonsei-ro, Seodaemun-gu, Seoul 03722, Republic of Korea
dpeelal98@yonsei.ac.kr; +82-10-3917-4522; ahn.yonsei.ac.kr

Education

College of Engineering, Yonsei University
  PhD/MS Program in Industrial Engineering, 2022 - present
  BS in Industrial Engineering, 2018 - 2022

Research Interests

Intellectual Property, Energy Policy, Cryptocurrency, Fintech

Publication

The path to a sustainable palm oil futures market
  Lee, S., Yi, E., Cho, Y., Ahn, K.
    Energy Reports 8, 6543-6550, 2022

After the splits: Information flow between Bitcoin and Bitcoin Family
  Yi, E., Cho, Y., Sohn, S., Ahn, K.
    Chaos, Solitons & Fractals 142, 110464, 2021

Work in Progress

Keyword network analysis in cryptocurrency white papers

Research Experience

Yonsei University
  Researcher, Center for Finance & Technology, 2022 - Present
  Junior Economist, Center for Finance & Technology, 2021 - 2022
  Research Assistant, Prof. Kwangwon Ahn, 2020 - Present

Seminar and Conference Presentations

2022
  Korean Institute of Industrial Engineering: Spreing meeting, Jeju, Korea

2020
  Korean Institute of Industrial Engineering: Fall Meeting, Seoul, Korea
  Korean Physical Society: Fall Meeting, Seoul, Korea

Honors and Awards

Yonsei University
  Research Fellowship, Dept. of Investment Information Engineering, Yonsei University, 2022

Skills

Languages
  Korean, Fluent in English

Computer Languages and Statistical Packages
  Python, IBM CPLEX opl, STATA, R, Matlab

Database
  MySQL

Editing Skills
  Tex

Services

Ad-hoc Reviewer
Computational Economics
Technological Forecasting and Social Change
